SHIRE OF WYNHAM EAST KIMBERLEY NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 31 JANUARY 2025

1 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPERATION AND SIGNIFICANT ACCOUNTING POLICIES

This prescribed financial report has been prepared in accordance with the Local Government act 1995 and accompanying regulations.

Loval Government Act 1995 requirements

Section 6.4(2) of the Local Governent Act 1995 read with the Local Government (Finacial Management) Regulations 1996, orescribe that the financial report be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Stadards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 Specify that vested land is a right-of-use asset to be measured at cost, and is conssidered a zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zerocost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have require the Shire to mesure any vested improvements at zero cost

Local Government (financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supporting information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently appied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modifiedm where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities

Matters of non-compliance with Basis of Preparation

The following matters of non-compliance with the basis of preparation have not been corrected.

1. Balances as at 30 June 2024 have not been finalised and may be subject to change.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on histrorical expereience and various other factors belieced to be reasonable under the circumstances; the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readilt apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosured impacted by accounting estimates are as follows

- · estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings and infrastructure
- estimated fair value of provisions

SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies utilised in the preperation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget documents for details of these policies.
